Notre Dame Catholic School

MISSION: Continuing the legacy of Catholic education in Wichita Falls since 1904, Notre Dame Catholic School offers a pre-K through 12, college preparatory academic program concurrent with the intentional formation of students in prayer, in wisdom, and in virtue, preparing them to become servant leaders for the common good.

VISION: Catholic schools in the Diocese of Fort Worth are committed to opening the doors so that our students can reach further than the walls that would otherwise enclose them and therefore are able to recognize and cherish the eternal and transcendental goods of truth, beauty, and goodness.

PHILOSOPHY OF EDUCATION: Notre Dame, a Catholic school in the Diocese of Fort Worth, strives to facilitate the spiritual, intellectual, social, emotional, and physical development of each student. Notre Dame Catholic School seeks to inspire a joy in learning and a thirst for greater and deeper knowledge in hopes of preparing them for future leadership in vocations and civic life in imitation of Christ.

Notre Dame Catholic School has a tradition of offering a rigorous intellectual program with extracurricular activities and events to develop the diverse God-given talents of its students. Notre Dame Catholic School stands as an educational and religious center for students, alumni, families, and the local Wichita Falls community.

The goal of Notre Dame Catholic School is to graduate citizens with a deep and comprehensive understanding of education that extends beyond the classroom. This goal is achieved by teaching its students to appreciate the richness of God's creation, to wrestle with the basic questions of human existence, to listen for God's personal call, to have a true love of others, and to respond with a generosity beyond the ordinary and commonplace.

ACCREDITATION

Notre Dame Catholic School is accredited by AdvancEd and the Texas Catholic Conference of Bishops Education Department (TCCBED), and is recognized as an accredited school by the Texas Education Agency (TEA) in its list of accredited schools under Tarrant County, Diocese of Fort Worth.

HISTORY

Notre Dame Catholic School is composed of an elementary school for students in pre-kindergarten through fifth grade; a middle school for sixth, seventh, and eighth grade students; and, a high school for students in the ninth through twelfth grades. The traditions of the institution are drawn from the Sisters of Saint Mary of Namur who, in 1904, founded the original school which was known as the Academy of Mary Immaculate, and the Congregation of the Holy Cross who joined the Sisters of Saint Mary when the school was broadened to include high school age boys. These two congregations have founded some of the most respected schools in the United States (such as the University of Dallas and St. Edward's University, both in Texas, and the University of Notre Dame in South Bend, Indiana). This great educational tradition of personal and academic excellence is continued on the present Notre Dame Catholic School campuses which replaced the historic Academy. The original school, which stood on the corner of Holliday and Ninth Streets, was the center of Catholic education in North Central Texas, being the only Catholic school from Fort Worth, 114 miles to the southeast, to Clarendon, 118 miles to the northwest.

The present Lower Campus opened in the Fall of 1954 and was known as Our Lady Queen of Peace Parish School. The Benedictine Sisters staffed the school from 1956 to 1968 to coincide with the closing of the Academy. Brothers of the Holy Cross joined the Sisters of Saint Mary in administering and staffing the high school.

In 1968, Sacred Heart Parish School merged with Our Lady Queen of Peace Parish School, creating a multi-parish school. Today, students attend from these parishes, as well as Our Lady of Guadalupe, Immaculate Conception, St. Jude's, and other churches in the surrounding area. In 1976, reorganization brought Our Lady Queen of Peace School and Notre Dame High School together under one school board and Notre Dame Catholic School was formed. In 1986, a middle school was instituted to better serve the needs of early adolescents.

NOTRE DAME CATHOLIC SCHOOL ADVISORY COUNCIL & FINANCE COUNCIL

The Notre Dame School Advisory Council provides counsel and advice to the Principal and Pastors of the school as it regards strategic decision making in areas such as Planning, Policy, Finances, Development, Mission Enhancement, Facilities, and Enrollment/Marketing for the long-term benefit of Notre Dame Catholic School. The Notre Dame Finance Council assists on advising the Pastors and Principal regarding the financial decisions of the school as well as in financial planning for the long-term benefit of the school. It approves the annual budget, consults regarding tuition and fees, and reviews the financial statements. Anyone may submit an item for the School Advisory Council agenda to the Principal or School Advisory Council Chair. The item must be in writing and submitted to the school business office ten (10) days prior to the meeting. Meetings are held in the Upper Campus library. For times and dates of meetings, please call the School Office.

DIOCESAN POLICIES

Policies in this Student Handbook correspond to and are referenced with the Diocese of Fort Worth policies as indicated by "DP" followed by the diocesan policy number. The diocesan policy manual is located at both the Lower and Upper Campus.

ADMISSION AND NONDISCRIMINATION POLICY

Notre Dame Catholic School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. The school does not discriminate on the basis of religion, sex, race, color, national or ethnic origin in administration of its educational policies, scholarship, athletic or other school administered programs.

Notre Dame Catholic School adheres to the policies of the Diocese of Fort Worth with regard to the admission of students including special circumstances, such as students who have been home-schooled, HIV infected, etc. (DP 5000)

REGISTRATION and ADMISSION POLICY

Students enroll at Notre Dame Catholic School annually. Notre Dame and the Diocese of Fort Worth retain the right not to allow a student to continue attending or enroll. Registration is a conditional enrollment subject to review and determination by the school. The conduct of a student or the student's family may be grounds for the school revoking the enrollment of a student. Prior to the first day of school, the school does not have to state the reasons or have grounds for revoking of a conditional enrollment of a student.

Records required for admission include:

- health records
- medical insurance information
- immunization records
- divorce decree and custody agreement (if applicable)
- birth certificate
- copies of Baptism, First Eucharist and Confirmation certificates (Catholic applicants only).

Applicants in Grades 1 through 12 must also provide most recent report cards, standardized test results and record of IEP if applicable. These will be reviewed to determine whether the program at Notre Dame Catholic School will meet the educational needs of the students. An interview with the student is part of the admission process. Testing in some academic areas may be held for new incoming students. All new students will be given a probationary period in which to prove himself/herself both behaviorally and academically. If during this period there are any problems, a student may be asked to withdraw his/her attendance at Notre Dame Catholic School. Withdrawal may be requested at any time upon demonstration of certain behaviors including but not limited to excessive bathroom accidents, physically aggressive behavior, behaviors where the student endangers him/herself including running toward and/or out the doors of the classroom or school building, or behavior that is so disruptive the teacher cannot otherwise engage in instruction or maintain order in the classroom.

PRE-SCHOOL ADMISSION

If registration is not offered, the application fee is non-refundable.

Re-enrollment is required annually for all grades. Presently enrolled students will be registered in the Spring for the next term. Acceptance of new students is determined by space availability for each grade. Waiting lists will be established when necessary.

All new students are accepted conditionally. If a student's academic progress or social behavior is not acceptable, or if the school is not equipped to handle certain deficiencies, the parents will be contacted as to possible courses of action, including the possibility of referral to another institution better equipped to meet the needs of the student.

TUITION

The tuition rate is determined annually. Consideration is given for families with more than one child enrolled at Notre Dame Catholic School. Tuition may be paid in full by Orientation day or in payments set up through the Business Office with FACTS. All families must register with FACTS. For more information, contact the Business Office.

Students are not permitted to continue in class if tuition is more than six (6) weeks in arrears. Most fees and textbook rentals are included in the tuition. Late payment fees must be paid to FACTS and cannot be paid by the school. A return fee will be assessed to your account for any returned tuition payment. No student will be given a Progress Report or Report Card if tuition, lunch charges, library fines, Extended Day fees or other charges are in arrears. No school records will be released if students' financial commitment is in arrears.

The Business Office is located at the Upper Campus, 2821 Lansing Blvd., Wichita Falls, TX 76309 and may be contacted by calling 940-692-6041 from 8:00 a.m. to 4:00 p.m. on school days.

WITHDRAWAL POLICY

Families must notify the school in writing if a student is to be withdrawn from the school. Special arrangements may be made for our Military families being transferred. Families of registered students who withdraw will be responsible for tuition through the month of withdrawal.

Notre Dame Catholic School students on a Student (F-1) Visa must pay the entire tuition at the beginning of the school year. This tuition is non-refundable if the student withdraws before the end of the school year.

TUITION ASSISTANCE

Tuition assistance is available from a variety of sources and is limited. Notre Dame Catholic School strives to make every reasonable effort to offer tuition assistance to students whose family income and situation warrants such support. All applications for tuition assistance are processed through FACTS for an objective evaluation. There is a processing fee of \$30. Documentation is required with the application for verification purposes. All information submitted is confidential. Tuition assistance will only be considered if an application is submitted through FACTS. Families receiving tuition assistance are expected to contribute time and talent to the school in order to help bridge the gap between tasks necessary to operate our school and the ever increasing demands on our budget.

FUNDRAISERS

The tuition collection covers approximately 70% of the annual school budget. To meet the financial needs of the school, several special programs including fundraising activities are planned throughout the year. Parent involvement in these activities and programs are vital for a successful educational program and for keeping tuition costs down. All fundraising requires the approval of the administration, regardless of the sponsoring club or group.

ENDOWMENT

The Notre Dame Endowment Fund exists through the Diocese of Fort Worth's Catholic Schools Trust. The Endowment provides both restricted and unrestricted interest earnings for the use of Notre Dame Catholic School in its budget. Gifts to the Endowment are tax deductible and may be made through the Business Office.

EXTRAVAGANZA

This annual event coincides with Catholic Schools' Week to raise funds and is an opportunity for Alumni, families, and friends to interact in a fun social evening. Dinner, dancing, live and silent auctions, and games of chance make this event very popular.

PARENT ACTIVITIES

Parent support groups provide financial assistance for various areas that benefit extracurricular activities outside the school budget. The Parent-Teacher Organization (PTO), the Booster Club, and the Band Parents are major groups who conduct fund raising activities.

SOLICITING FUNDS FROM STUDENTS

Any direct solicitation of funds from students in school is to be kept to a minimum and used only to educate students to the value of giving to worthwhile causes. (DP 5340) All solicitation of funds from students or parents must first be approved by the Principal.

SCHOOL SERVICE HOURS

Service hours contributed at NDCS help to provide an economic bridge between tasks necessary to operate our school and the ever increasing demands on our budget. Opportunities exist for families to contribute their service, talent, and time for the betterment of the school. The value of these gifts is not only monetary, but contributes to the spirit and life of all associated with Notre Dame Catholic School. All NDCS families are asked to contribute 15 hours of service to the school each school year. Service hours may include working at the concession stand at athletic events, helping in the Lower Campus cafeteria or on the playground, assisting with gardens/grounds maintenance, assisting at fundraisers, or helping a teacher with a project.

ATTENDANCE POLICY

According to Texas law, students in grades 5K through 12 must be in attendance for 90% of the days the class is offered in order to receive credit for the class. Documentation will be for individual class attendance each quarter. If absences from an individual class are more than 10%, make-up class time and the expense of the teacher are the responsibility of the student and family. Abuse of this policy may result in suspension or expulsion.

An excused absence does not mean a student will not be marked absent. A student not physically present at school, excused or unexcused, is marked absent. (DP 5200)

Non-attendance of classes is not excused unless verification is documented in writing:

1. by a physician indicating an illness as reason for the absence(s) and date(s)
2. by a parent indicating the nature of the minor illness and date(s)
3. by a doctor's office representative indicating appointment time

Signatures and information contained will be verified by school officials.

If a student is late by or otherwise misses 15 minutes of a class without appropriate verification as stated above, he/she is considered absent with no excuse from that class.

Once a student arrives on campus, he/she is considered officially in school and may not leave without proper permission. If a student leaves campus without proper permission, it will be considered an unexcused absence and may warrant suspension.

Students who arrive late cause disruption to class and undue stress for the student. Excessive tardiness (six or more throughout the year) will exclude a student from receiving a Perfect Attendance award.

Truancy may result in: 1st offense – notification of the parents and one (1) day out-of-school suspension; 2nd offense – parent conference and out-of-school suspension for three (3) days; and, 3rd offense – parent conference and expulsion.

If a student is to be absent from school, parents should inform the school by calling the campus office before 9:00 a.m. Upon returning to school, the student must bring in written verification to explain the nature of the absence.

A student should not be released from school during the day unless a written notice is sent, in advance, by a parent or guardian. In the case of a non-custodial parent, unless restricted by an order of the court which is on file with the school, the non-custodial parent has full and equal access to the release of the student from the campus. Release notes must be verified as authentic. A third party who is authorized by the parent must be personally identified by them or be known to the principal or a staff member. Identification through a driver's license will be requested. (DP 5200) (Also, see CUSTODY ISSUES)

Parents should make medical and dental appointments after school hours, if possible. Children who must be excused for medical and dental or other appointments during school time are considered absent when the absence exceeds one-half of the school day. Three (3) early withdrawals each of which is less than 3½ hours are considered a one-half day absence.

Upper Campus students may only leave school during non-class time with the expressed permission of the principal. Extreme discretion should be exercised in this regard by school officials. (DP 5200)

Absence and athletic/social participation at the Upper Campus: Any student who is absent from 50% of the school day on the day of a school event (athletic contest, school dance, academic competition, etc.) or a Friday preceding a Saturday event, may not attend or participate in that event.

After an Absence at the Upper Campus: On the day the student returns to school, a written excuse signed by a parent or guardian must be brought by the student to the school secretary in order to receive a Re-Admit Slip. If the student returns without a note, he/she will have 24 hours to bring in the note, after which time the absence will be counted as unexcused.

College Trips: Trips taken by Juniors and Seniors to visit colleges must receive permission by the Counselor. Juniors and Seniors are entitled to 3 college visits per year but must provide the office with at least 48 hours notice of the planned visit. Students will be responsible for any work missed while not in class and must bring back a form from the college visited for verification.

Absences and Homework Requests at Upper Campus: Students who are out for three (3) school days or fewer should obtain assignments from classmates. If students are out more than three (3) school days, the parents may call the Counselor and make arrangements for procuring assignments.

Tardy Policy at the Upper Campus: Tardiness for any class is disruptive and is never acceptable. Students are expected to be at classes, meetings, assemblies, Mass and other gatherings punctually. Tardiness may result in a demerit.

Off Campus Slips at the Upper Campus: Any student who will be leaving campus during the school hours for a medical or dental appointment or for a personal reason must present a note signed by a parent or guardian to the school secretary before school starts. The student will then be given an Off Campus Slip to present to the teacher of the class the student will be leaving. The student must check in with the school secretary upon returning to school for an Admit Slip. No student is allowed to leave campus without checking out at the front desk. Failure to comply with this regulation will result in disciplinary action.

ACADEMIC INTEGRITY

Notre Dame Catholic School subscribes to widely-accepted norms requiring that students exhibit the highest standards regarding academic honesty and integrity. Cheating, copying and plagiarism in any assignment or exam will not be tolerated and may result in a student failing the course or being expelled.

Three important principles are considered when defining and demanding academic honesty. These are related to the fundamental tenet that one should not present the work of another person as one's own.

The first principle is that final examinations, quizzes and other tests must be done without assistance from another person, without looking at or otherwise consulting the work of another person, and without access to notes, books, or other pertinent information (unless the teacher has explicitly announced that it is allowed).

The second principle is that any use of the work of another person must be documented in any written papers, oral presentations, or other class assignments.

The general rule is that if the student has to look something up, or has learned the information recently either by reading or hearing something, the student must document it. The classroom teacher will specify the proper procedures to be used for documentation, but the main point is that documentation is required.

The third principle applies specifically to course work: the same written paper may not be submitted in two classes without permission from both teachers involved. Nor may a paper for which you have already received credit be submitted to satisfy a term paper requirement for another class.

COMMUNICATION

In order to be good stewards of our resources, the school communicates largely through e-mail. Therefore, we require all NDCS families to provide the school with a working email address and to check it frequently for messages from the school.

It is the intention of Notre Dame Catholic School to keep in close contact with parents and students. When lines of communication break down a sense of frustration is often experienced. Many problems can be avoided if all parties endeavor to rebuild these methods of keeping in touch. The spread of rumors and misinformation will be minimized when these procedures are followed.

In keeping with the Church's principle of subsidiarity, problems should be solved at the lowest level whenever possible. Thus it would be advisable that persons having problems speak directly to that person before going to the person's superior. If a parent has a problem with a teacher, for example, he/she should discuss it first with the teacher; after that, the discussion could move to the principal, assistant principal, or counselor if necessary.

PARENTS AS PARTNERS

The faculty and staff at Notre Dame Catholic School consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children.

Once you have chosen to enter into a partnership with us at Notre Dame Catholic School, we trust you will be loyal to this commitment. During these formative years, your child needs constant support from both parents and teachers.

As partners in the educational process at Notre Dame Catholic School, parents and guardians agree to support and cooperate with the academic and disciplinary policies of the school and to treat teachers and staff with respect and courtesy in discussing student issues.

CONSENT BY ENROLLMENT

Enrollment and attendance at Notre Dame Catholic School is a voluntary arrangement entered into freely by both parents/guardians and the school. By enrolling and attending school, parents and guardians consent to and agree to abide by the policies and procedures established in the Student/Parent Handbook, with or without a completed copy of the Handbook Receipt Statement.

UPPER CAMPUS PROGRAM

SCHOOL HOURS: 8:00 a.m. – 3:10 p.m.

GRADING PERIOD: Quarterly (9 weeks) with Progress Reports at 4½ weeks

GRADING PROCEDURE: Teachers calculate and report grades in *RenWeb* for each student they teach. For report card purposes, grades are reported quarterly (every 9 weeks).

In Middle School, the quarterly grade is 50% of the semester grade. Final exams each semester are not comprehensive finals but usually are end of the chapter or unit tests. The grade earned is computed in the quarter as a regular chapter/unit test given at any other time.

Teachers in the 8th grade core subjects (Religion, English, Math, Science, and Social Studies) may give a comprehensive final exam in the 4th Quarter to prepare the student for high school. If giving a final exam in the 8th grade, the computation would be:

$$3^{\text{rd}} \text{ quarter (40\%)} + 4^{\text{th}} \text{ quarter (40\%)} + \text{Final Exam (20\%)} = 2^{\text{nd}} \text{ Semester Grade}$$

In High School, the grades are calculated as follows:

$$1^{\text{st}} \text{ quarter (40\%)} + 2^{\text{nd}} \text{ quarter (40\%)} + \text{Final Exam (20\%)} = 1^{\text{st}} \text{ Semester Grade}$$

$$3^{\text{rd}} \text{ quarter (40\%)} + 4^{\text{th}} \text{ quarter (40\%)} + \text{Final Exam (20\%)} = 2^{\text{nd}} \text{ Semester Grade}$$

Non-academic classes such as Physical Education, Yearbook, Art and Band are not required to have a final exam, but may be at the discretion of the teacher. Semester grades are the only reported grades on a student's transcript.

GRADING SCALE:	A = 90-100	4 points
	B = 80-89	3 points
	C = 75-79	2 points
	D = 70-74	1 point
	F = below 70	0 points

GRADE POINT AVERAGE: The GPA is computed by converting numerical grades to letter grades on the 4.0 system (A=4; honors courses A=5, etc.,) adding all points then dividing by total number of grades.

HONOR ROLL: First Honors: GPA of 3.75 or higher with no grade lower than "B" (80-89)

Second Honors: GPA of 3.50 to 3.74 with no grade lower than "C" (75-79)

Students who receive three (3) detentions in one quarter, or have been suspended (in-school suspension or out-of-school suspension) for disciplinary infractions are not eligible for the Honor Roll, regardless of GPA. The Honor Roll is posted for each quarter.

ARRIVAL/DISMISSAL: All Upper Campus students arrive through the front door located at the main entrance. The only exception will be for students coming to athletic practices before school. Classes begin promptly at 8:00 a.m. so students must be in the classroom ready to begin class. The building is open at 7:30 a.m. Dismissal is at 3:10 p.m. Students must leave the campus by 4:30 p.m. unless detained by a teacher or administrator, participating in a sport or school activity, or enrolled in an after school program. If a student is unable to provide for their own transportation and they have not been picked up from the school building by 4:30 p.m., the authorities may be contacted to provide them with a safe ride home.

ATTENDANCE/TARDINESS: School attendance is recorded by the administrative offices while each classroom teacher is responsible for recording attendance for their class period. Teachers are responsible for taking attendance at the beginning of each class period. As such, any student who is not present in the classroom when attendance is taken will be marked as 'Absent'. If the student is, in fact, present at school but tardy to class, the student will have to report to the front office to have their class attendance changed from 'Absent' to 'Tardy'. Teachers may also mark a

student 'Tardy' if they arrive to class late but have not yet submitted period attendance. Any 'Tardy' is a possible occasion for the issuing of a demerit based upon the discretion of the teacher.

HIGH SCHOOL COURSE REQUIREMENTS FOR DIPLOMA

Notre Dame Catholic School follows and exceeds the guidelines of the Texas Education Agency (TEA) and the Texas Catholic Conference for issuance of a high school diploma. The diploma plan offered at Notre Dame Catholic School specifies 30 credit hours to be earned by each student for successful completion of the academic program. This includes both Texas Catholic Conference required credits and locally required credits.

For graduation from Notre Dame Catholic School, a student must pass all required courses taken while in attendance full time at the school. To be considered a full-time student (able to represent the school in extracurricular activities or to be on the honor roll) a student must be enrolled in a Theology course and a minimum of five academic subjects.

Please see the Guidance Counselor for more information.

TEXTBOOKS: The book rental fee is included in your tuition. This covers the use of most books, consumable workbooks, standardized testing materials, library and audio-visual aids, and some art supplies. *Textbooks are the property of Notre Dame Catholic School* and must remain covered throughout the year. If lost or damaged, a fee will be charged to the student for the cost of replacing the text. Textbooks will be distributed during the first week of school.

PROGRESS REPORTS: Parents should check the School Calendar for dates the Progress Reports are due, and check the student's progress on *RenWeb* at these times. Parents are encouraged to read these carefully and to respond if the teacher indicates a conference is desired. It is the parent's responsibility to keep apprised of the academic performance of the student.

INCOMPLETE GRADES: If a student receives an Incomplete (I) on the report card, he/she is responsible for making arrangements with the teacher for the completion of work. Work not completed within an agreed upon time frame between the student and the teacher will result in a zero (0) which will be factored in with other grades in the quarter and then reported.

ACADEMIC INELIGIBILITY: A student who meets the following criteria will be eligible for extra-curricular activities: At the end of each quarter, GPA is no less than 2.0 and failing no more than one (1) class.

Students who fail two (2) or more classes the previous year will be ineligible for athletics during the first four (4) weeks of the next school year. A Progress Report must show that eligibility has been earned.

The status of "ineligibility" begins on the date the grades are due which is noted on the School Calendar. After two (2) weeks of ineligibility, the student will be evaluated for probationary eligibility: a GPA of at least 2.0 and failing no more than one (1) class, at which time the student will be on probationary eligibility. The student will be permitted to participate in extra-curricular activities for two and a half (2½) weeks. If the student is not passing all courses after two and a half (2½) weeks, he/she will be ineligible. Students must maintain a 2.0 GPA in the Quarter to remain eligible.

Activities affected by ineligibility include: sports, cheerleading, dance team, theater (competitions and performances), band performance, art and academic contests, Student Council, National Honor Society, and Junior National Honor Society. Ineligible students should spend more time on academic work and will not normally be permitted to attend practices or rehearsals.

SUMMER SCHOOL: It is the responsibility of the student to remedy failing semester classes. All failures must be made up in summer school before a student can advance to the next grade level. Summer school must be attended at an accredited program, preferably Wichita Falls ISD. Summer school must be approved by the Counselor prior to enrollment for the program. All grades from a summer school program must be sent by the school district directly to Notre Dame Catholic School to verify credit remediation. Summer school credits are recorded on the transcript but grades are not counted in the cumulative numerical average.

RETENTION: Students who consistently fail quarterly, have a significant number of semester failures (three or more), and/or have poor grades reflecting unsatisfactory progress will be evaluated to determine whether or not they should be retained or return to Notre Dame.

Promotion of a student will be based on the satisfactory completion of the present grade curriculum and the ability to do the next grade's work. There are no social promotions in the schools of the diocese. Students are promoted to the next grade level based on their academic achievement. The following are the specific regulations for promotion to various grade levels:

Grades 6-8: A student must have a "70" in all core subjects – religion, English and/or language arts, mathematics, science, and social studies. A student who fails more than 2 major subjects is not promoted. For each major subject below "70," a student must make up the work in summer school.

If summer school is not available, summer work will be assigned and the student will be tested prior to advancement to the next grade level.

Students in the elementary and middle grades should not be retained more than once while enrolled in the diocesan school system. (DP 5240)

PARENT-TEACHER CONFERENCES: Parent-Teacher Conferences are scheduled each semester after the 1st and 3rd quarters. Additional conferences between parents and teachers may be initiated by either party. Arrangements may be made by contacting the teacher or Counselor. Conferences may be with individual teachers or with all teachers instructing the student.

CONCURRENT/DUAL ENROLLMENT PROGRAM: Students who meet the qualifications for admission for the Concurrent/Dual Programs at Midwestern State University or Vernon College may earn units of credit for a diploma from Notre Dame Catholic School as well as hour credit on a college transcript. Only courses that are approved for dual credit may count toward the NDCS diploma or the GPA calculations. Enrollment in college classes, high school extension courses or other opportunities to achieve college or high school credits must be approved by the counselor and principal.

ACADEMIC POLICIES: In order to help each student in the high school program at Notre Dame Catholic School achieve to the best of each one's ability, the following policies have been established:

1. Valedictory and Salutatory Honors – Only high school courses from the 9th Grade forward and college equivalent courses through the 8th semester will be considered for these honors. In case of a tie, the actual grade average will be computed.
2. Transfer students who have earned honors credit in the ninth and tenth grades from a previous school will not carry over the honors weighted GPA to Notre Dame. Advanced Placement credit *will* apply.
3. Transfer high school students entering Notre Dame after the beginning of the fifth (5th) semester are not eligible for the distinction of either Valedictorian or Salutatorian in the senior year.
4. Schedule changes are permitted within the first week of the school year with parent, teacher, and Counselor consent. After this period, only requests for schedule changes initiated by the teacher or the Counselor will be considered.
5. Transfer students are accepted through the beginning of 11th grade if academic standing and conduct are satisfactory. Students are generally not accepted after the start of 11th grade.
6. Students who pass a course and earn credit for it may not repeat the course for credit.
7. A student who earns an "F" in two or more academic subjects during a semester will be placed on Academic Probation. The student and parent must sign a statement of Academic Probation that will include the terms of probation. If a student remains on Academic Probation for two semesters and exhibits no behavior or action to improve, the student may be subject to dismissal from Notre Dame.

SENIOR INFORMATION: Seniors must meet all academic, financial, and citizenship requirements for graduation to be eligible to participate in the formal commencement exercises. Participation in formal graduation ceremonies is mandatory. Graduation ceremonies are a privilege, not a right. Seniors must check with the Counselor in the Fall Semester of senior year for proper clearance for graduation.

Scholarships: Seniors are informed about scholarships available through posted information in Senior Homeroom, on bulletin boards, announcements, and newsletters. It is the student's responsibility to complete scholarship applications and meet specified deadlines. Students are encouraged to maintain a high level of scholastic, extracurricular and service involvement to meet the requirements of certain types of special scholarships.

Letters of Recommendation: Frequently, the college application process necessitates requests by students for personal recommendations. When a student approaches a teacher, counselor, or administrator to ask for a recommendation, he/she should adhere to the following guidelines:

1. Ask persons who know you well enough to write a good recommendation for you.
2. Be prepared to give EACH person you ask a completed copy of your goals and activities resume sheet. The more thorough and in-depth your input, the better recommendation ultimately.
3. You should provide a stamped, addressed envelope for the letter.
4. Allow approximately two (2) weeks from the time that you make your request for the writer to follow through. One day's notice is not acceptable.
5. Give the Counselor at least 24 hours notice for a copy of your transcript.
6. Be certain to thank the writer for his/her support.

Semester Exams: Exams must be taken at appointed times and cannot be rescheduled. Exam days are considered regular school days. Parents and students are requested not to schedule family vacations, trips, or other activities during these important days.

Senior Exemption Policy: Those seniors with a semester class average of 93 or above may be exempt from the semester exam, subject to the teacher's discretion. The final grade will be determined by averaging the two nine week's grades. The senior exemption policy applies to the second semester only for yearlong classes. Seniors may be exempt from a one-semester class final exam in either semester by meeting the same criteria as for yearlong classes.

STUDENT LIFE

LITURGICAL CELEBRATIONS: The Mass is the center of Christian life. Our students actively participate in the Masses. Great effort is made to make these celebrations especially meaningful for children at various ages. Parents are welcome to attend. School Mass is celebrated with the entire school. Mass is normally celebrated each week on Wednesdays at 10:15 a.m. at Our Lady Queen of Peace Catholic Church, located between the Lower and Upper Campus. Check the Calendar and newsletters for dates and times. Parishes, not the school, coordinate formal sacramental preparation for children.

ATHLETICS AND EXTRACURRICULAR ACTIVITIES ELIGIBILITY: If a student is failing two or more courses at the end of a quarter, he/she is considered ineligible and remains ineligible until the next grade check. Please see the section on *Academic Ineligibility* on p.14 for further details. Eligibility for the third quarter will be determined by a student’s semester grades. The Principal or Academic Counselor reserves the right to invoke academic ineligibility in special cases.

NDCS fans will be excused from school to attend athletic games only if the following is met:

1. The student must meet eligibility requirements (GPA is no less than 2.0 and failing no more than one class). Students may not miss a class in which the student is failing.
2. The school must have written permission from the parent at least 24 hours in advance and the students must inform teachers at least 24 hours in advance of their absence.

AGE LIMIT: A student who has reached his/her 19th birthday on or before the first day of September shall not participate in any league contest.

ATTENDANCE: A student must be present for at least 50% of the day to be eligible to participate in athletic competition, practice, or extracurricular activities that day or evening (or the Friday preceding a Saturday event).

STUDENT COUNCIL: The Middle School and High School Student Councils are composed of elected representatives from the student body. Elections for High School officers and representatives are held in the Spring and in the Fall for Middle School. The Student Council provides a liaison between the students and the faculty/administration; provides social activities for the student body; and provides leadership in all student body activities. Meetings and activities are under the supervision of the Moderator who is a member of the school faculty.

MIDDLE SCHOOL CHEER AND SPIRIT SQUAD: Girls in sixth, seventh and eighth grades who demonstrate a desire to join the squad are members. The group participates in cheerleading and dance routines in support of Lancer and Lady Lancer sports events and other school functions.

VARSITY CHEERLEADERS: Students in grades eight, nine, ten, and eleven are eligible for try-outs in the Spring of each year for the Varsity Cheerleading Squad. Cheerleaders perform at athletic events and other school activities throughout the year.

NOTRE DAME ROYALES: The Royales are a dance team composed of girls in the ninth through twelfth grades. They develop synchronized dance routines and provide entertainment at athletic contests and other school functions.

NATIONAL HONOR SOCIETY & NATIONAL JUNIOR HONOR SOCIETY: The National Junior Honor Society is for eligible students in grades 7 and 8. The National Honor Society is for eligible students in grades 10, 11, and 12.

Art.IX, Sec.1 NHS Handbook. To be eligible for membership, the candidate must be a member of those classes designated as eligible in the Chapter By-laws. Candidates must have been in attendance at the school the equivalent of one semester. Some candidates may be ineligible for induction because of the semester ruling. Many students, including students of military parents, are required to move with parents or guardians that have transferred in their work. The present school principal should seek a recommendation from the previous school principal pursuant to the candidate’s selection. Based on the recommendation of the previous principal, the faculty council may waive the semester regulation.

Selection of Members

1. The Guidance Counselor will submit to the Principal a list of any [students in grades 7 and 8 for NJHS; students in grades 10, 11 and 12 for NHS] who have been enrolled the previous semester and who have a cumulative grade point average between 3.75 and 4.0.
2. These students will be notified in writing that they are eligible to be considered for membership in the Notre Dame Chapter of the NJHS or NHS. Membership in the local chapters is an honor bestowed upon a student and is based on OUTSTANDING scholarship, character, leadership, and service. A copy of SELECTION OF NJHS or NHS MEMBERS and a timeline of the process will also be given to each candidate.
3. Students may opt to accept or decline this invitation.
4. If a student accepts the invitation, the following procedure will be used:
 - A. The student and his/her parent will sign a form that states they are aware that an invitation to join NJHS or NHS and completion of the process does not indicate automatic membership in the organization.
 - B. The accepting candidate will complete and return to the Guidance Counselor the following:
 - (1) A 250-300 word essay stating why he/she deserves to be a member of the NJHS or NHS, and
 - (2) A complete list of school/church/community/home/work activities (leadership and service).
 - C. The Guidance Counselor will compile all the returned forms and notify the faculty council that they are available for review.
 - D. After reviewing the applications, each faculty member will be invited to rate and comment (in writing) on each candidate in the following areas: scholarship, character, leadership and service.
 - E. Completed ratings are turned in to the Guidance Counselor who tallies each candidate’s scores and gives them to the Administrator. All scoring is based on a 4-point scale. Final score is the average of all teachers’ points and the student’s GPA. A sample follows:

<u>Teacher</u>	<u>Category</u>	<u>Score</u>	Total points: 15
Alpha	Scholarship	4	Add GPA <u>3.80</u>
	Leadership	3	18.8
	Character	4	Divide 18.8 by 5 = 3.76
	Service	4	Score: 3.76

- F. The Moderator of NHS & NJHS will present the findings to the Principal.
- G. New members will be notified of their acceptance into NJHS or NHS.
- H. Once selected, members have the responsibility to continue to demonstrate the qualities of scholarship, character, leadership, and service that they displayed to gain chapter membership.
- I. New members will meet with “old” members and the Chapter Moderator to plan an Induction Ceremony which will be held during a school assembly. Parents and guests will be invited to attend.

5. A member of the NJHS or NHS must maintain the GPA at which they entered or higher and maintain the standards of character, leadership, and service that the society upholds.
6. Members who fall below the standards shall be promptly warned in writing by the Chapter Moderator. They will be given a reasonable amount of time to correct the deficiency, except in the case of flagrant violation of school rules or civil laws. In these situations, a member does not necessarily have to be warned.
7. In all cases of impending dismissal, a member shall have a right to a hearing before the Moderator and the Principal.

“THE KNIGHT”: The yearbook staff annually compiles, edits, and publishes “*The Knight*” commemorating the current year’s activities. Students in grades ten through twelve may be on the yearbook staff.

VARSAITY BAND: The Notre Dame Varsity Band is composed of students in grades seven through twelve who desire to be members. The band performs at sports events and activities, holds concerts, and competes on local, district, and state levels.

STUDENT SERVICES

GUIDANCE AND COUNSELING: Guidance and counseling at Notre Dame Catholic School assist the whole student – spiritually, emotionally, socially, academically, physically, and occupationally. Students are encouraged to become familiar with the wide variety of education and career information available in the counseling office. Standardized testing is coordinated through the guidance office. Confidentiality is maintained in all cases except where there is imminent harm to the student or another person whereby state/federal law requires the counselor to make reports.

Students and parents may make appointments with the Counselor. The counseling office is in charge of student academic scheduling. College information, registration information for college admission testing, registration for the MSU Concurrent Program, eighth grade college and career exploration, and sending of transcripts are also services provided by the counseling office.

TRANSCRIPTS: Students desiring transcripts should make their request in writing to the guidance counselor. All official transcripts are mailed to a designated party; official transcripts are not given directly to students or graduates. A student is granted three (3) transcripts.

LIBRARY SERVICES: The Richard L. Duggan Library located at the Upper Campus is open from 7:30 a.m. to 3:30 p.m. most school days. Individuals and groups may be accommodated. Materials are selected which support the curriculum and enrich education. The library provides numerous fiction, nonfiction, biographies, periodicals, newspapers, and reference materials. Library rules are posted upon entry to the library and will be strictly enforced for the consideration of those utilizing the facilities. The Librarian is also responsible for the AV room and materials contained therein. All AV equipment and resources must be reserved with the Librarian. The Librarian provides reference and research assistance for students and staff.

Meetings may be held in the library. Requests for use and proper notice must be given to the Librarian. Fines for overdue books, personal student behavior, and respect for books and materials are the responsibility of the student. Any misuse of the library by any student will result in the loss of privilege to access the library.

LUNCH PROGRAM: Lunches will be offered on both campuses through catering provided by Monarch Catering. Lunch menus will be provided by Monarch and shared with families in order to plan on whether to purchase lunch at school or pack lunch from home. The cost of the lunch will be \$5.00. Milk can be purchased a la carte for \$0.50 and water/juice can be purchased a la carte for \$1.00.

At the Upper Campus: The closed-campus policy prohibits guests other than immediate family members, but parents are invited to meet their child for lunch. Please call the school office one day in advance to order a lunch and may also bring in a sack lunch without notification to the cafeteria. When family desires to have lunch at school with their student, please let the office know that you are coming. Students who forget their lunch from home will be allowed to phone home during break for someone to bring it. Permission in advance from the Principal is required for any delivery of group lunches for special occasions.

TESTING:

Religion Testing: The ACRE test is administered to Grades 5, 8, and 12 in the spring.

Standardized Testing: The Iowa Test of Basic Skills (ITBS) and CogAT (Cognitive Abilities Test) are administered to Grades 1 through 8 in September.

Special Testing: The Duke University Talent Identification Program (TIP) is available for qualified students in Grade 7 in the fall. The PSAT/NMSQT is administered to Grades 9, 10, and 11 in October.

The Guidance and Counseling Office maintains registration packets for college admission testing (ACT and SAT), which must be taken before a student begins course work at any Texas state college or university. For information regarding testing, please contact the Counselor.

SCHOOL PROCEDURES (*items listed in alphabetical order*)

Birthdays and Special Occasions for Students:

Upper Campus: If your child is celebrating a birthday, we ask that you do not bring a cake. Birthday cupcakes and other such individualized snacks are appreciated. There should be enough for the entire grade, since classes enjoy lunch together.

Both Campuses: Deliveries of balloon bouquets, flowers, cakes, cupcakes, etc., must be left at the front desk. Notification of these deliveries to the student will be made during lunch or at the end of the day. Flowers and balloons will be held in the front office until the end of the day.

Cell Phones: The use of cell phones/smart phones, and smart watches during the school day is prohibited. The reason for such a prohibition is to promote an uninterrupted academic environment. The school has a compelling interest in keeping students not just physically present on campus, but mentally and emotionally present as well. The ways in which technology can aid and abet academic dishonesty is also a growing concern for college and high school educators nationwide. As such, the following restrictions/allowances apply at the school:

1. A student may keep a cell phone turned off or on silent and stored out of sight during the school day.
2. Personal phone use is not permitted on campus during the school day.
3. If a student needs to phone a parent at any time during the school day, the student must come to the front office and request staff permission either to use a personal phone or to use of one of the school's land lines. In rare cases in which parents need to get an emergency message to a student before the end of the school day, they should call the school's main telephone line and ask for a message to be delivered. Parents should be mindful that texts or other messages that they send directly to their children during the school day are to be picked up only after school dismissal.
4. Violation of the above restrictions will result in confiscation of the cell phone and disciplinary action. Phones will be turned in to the office and released only to parents/guardians after confiscation. With the exception of the first instance, there will be a \$20 fine imposed for the release of the phone.

Closings or Delays: In the case of severe weather, Notre Dame Catholic School generally closes or delays opening whenever the Wichita Falls ISD closes or delays opening. If the situation would be different, our school name would be announced in the media separately. Please listen to local television stations – Channel 3 or Channel 6 or local radio stations for information on closings or delayed opening time. The school may also use the automated *ParentAlert* system to text numbers registered with the office. Please make sure we have updated phone numbers. *In the event of a late start, morning supervision will not be provided.*

Custody Issues: The intent of Notre Dame Catholic School is to be supportive of all families. Families must assist Notre Dame in doing so by providing the necessary information. NDCS asks for the following:
Divorced or separated parents must file a court-certified copy of the custody section of the divorce or separation decree with the Principal's Office. The school will not be held responsible for failing to honor arrangements that had not been made known to the school in the appropriate manner. Should there be any changes to the custodial agreement while the child is a student at Notre Dame, it is the responsibility of the parents to provide the school with updated court documents. The school will abide by what is on file.

Daily Announcements: All announcements must be turned in to the school secretary by 3:15 p.m. the day preceding the announcement. Any announcement concerning athletics MUST have the approval of the Athletic Director. Any announcement concerning clubs or organizations other than athletics MUST have the approval of the moderator or Principal.

Emergency Cards: Each student is required to have a completed Emergency Card on file in the campus office. This information is used when a student becomes ill or is hurt while on campus. Neither campus houses an infirmary, so the student must be sent home if unable to attend class. The school does not release students unless a parent, guardian, or designated adult has been contacted. In serious cases, students will be taken to the hospital and the parents notified. For this reason, it is imperative that the Emergency Card has up-to-date information.

Field Trip Policy: Field trips or outings should offer experiences of significant educational value for students, designed to correlate with teaching units and to achieve curricular goals. No overnight trips for PK-8th grade students are permitted. A field trip is a privilege given to students and not a right. Students can be denied participation if they fail to meet academic and/or behavioral requirements. (DP 6070) Individual teachers, in consultation with the administration, reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.
Cell phones are not allowed on field trips unless otherwise directed by the teacher and/or administration.
Parents who are not "official" chaperones may not drive their car to a field trip destination with the plan of accompanying the class on the field trip without the teacher's knowledge or permission. Please contact the teacher if you'd like to volunteer as a chaperone for field trips. Chaperones must complete the Safe Environment training. A standard permission form is in the Appendix to this handbook. This is helpful to photocopy or use if the student should forget to bring one home. Teachers/sponsors will provide the permission form with information regarding the Field Trip in advance of the activity. Students who fail to submit a proper form will not be allowed to participate in the field trip. *Telephone calls will not be accepted in lieu of written permission.* Faxed/emailed permission forms can be accepted.
Parents do have the right to refuse to allow their child to participate in a field trip. In that case, the student will be in attendance at school. Since the field trip is educational, attendance on field trips is considered attendance at school. It is NOT an option to just keep a student home. In that case, the absence will be counted as such.

Food, Drinks, Gum, or Candy: No food, drinks, gum, or candy are allowed in the academic halls, classrooms or gymnasium. Faculty and staff members are asked to deal with students who violate this rule on an individual basis. *All food items are to be consumed in the cafeteria.*

Gambling: Students are not to engage in any activity that includes any form of gambling.

Grievance Policy: A copy of the Diocese of Fort Worth Policy 5221 regarding appeals concerning students, other than suspension or expulsion is in the Appendix to this handbook. Policy 5220 Out of School Suspension or Expulsion provides the following Appeal Procedure:
If the parents or the guardian wish to appeal the Principal's decision (to expel or suspend a student from school), a written appeal must be filed with the Superintendent of Schools within five (5) days from the date the parent's or the guardian's receipt of notification of the Principal's decision. The decision shall be sent by certified or registered mail and if the parent or guardian refuses to accept the mail, the five (5) day time period shall begin to run on the day the letter is mailed. The decision of the Superintendent is final and is not subject to any other appeal, grievance, mediation, or conciliation process of the Diocese.

Health Requirements and Medications: All students in pre-school, ninth grade, and new to the school are required to have a Medical Report form filled out by a physician on file at the school. Students must be current on all immunizations. Medical forms are also required of all students participating in athletics. Forms may be obtained from the campus office and must be returned completed by Orientation Day. Athletes will not be permitted to practice or play in a sport until the Medical/Physical form is on file at the school. The school does not cover students on school insurance. All students are required to have insurance information on file with the office.

A student is expected to participate in physical education classes unless there is a written statement from the doctor requesting restriction of physical activity.

Allergy Policy (Diocesan Update: 7/20/16)

- If the student has any noted allergies requiring the use of an epi pen, the parent shall furnish the school with two epi pens for the student. An allergy plan of care (action plan) for the student must be in place by the 1st day of school and at all times that the student attends the school. The epi pens and the Diocesan Medication Permit Form must be signed by both the physician and the parent or the child cannot be in school.
- Prior to each field trip, the Parent has the responsibility of reminding the teacher that the epi pen is to go on all field trips with the student.
- The epi pens furnished to the School by the Parent must be currently valid and any expired epi pens are to be immediately replaced by the Parent.
- All school employees will have annual training in August during orientation, and refresher training as needed.
- At any time that a Parent is not in compliance with this policy, the student cannot attend the school and school related functions.

Communicable Disease: General information –

- Immunizations required by the State Department of Health must be observed
- Students should remain at home when they exhibit the first symptoms of a disease
- When a student in school is suspected of having a communicable disease, he/she should be separated from other students until he/she can be sent home

Nut Awareness Policy (Diocesan Update: 08/02/16)

Notre Dame Catholic School recognizes that nut allergies represent a health and safety hazard, which can have serious consequences for students who have an allergy to peanuts/nuts. In order to protect our students with any nut allergy from an environment that may be harmful to their health and safety, we have instituted a policy to minimize the risk of exposure to “peanut” items for these students with peanut allergies, however we cannot ensure other food products haven’t been manufactured in a facility who uses peanuts/nuts in other products.

All teacher and staff will be given a list of the students with peanut/nut allergies. All school employees will have annual training in August during orientation, and have refresher training as needed.

Notre Dame Catholic School will have a designated table in the lunchroom for students whose parents request in writing that they do not sit at a table with students who have peanut/nut products in their lunches. This designated table will be cleansed before and after each lunch.

Students with peanut/nut allergies may only eat food that is brought from home unless written permission is received by the teacher/nurse from the parents.

No snacks or any other food with peanuts or nut products will be served in the student’s classroom or used in any class project. All students in that classroom must bring “peanut/nut free” snacks if they are to be consumed in the classroom, however, we cannot ensure other food products haven’t been manufactured in a facility who uses peanuts/nuts in other products.

Students **without** allergies may have peanut/nut products in their lunch containers.

If time permits, in an unusual situation when lunch must be served in other areas of the building, the school nurse will work with administration and teachers to create a safe environment for the students with peanut/nut allergies.

Only “peanut/nut free” snacks will be permitted in the student’s classroom during parties or class projects that include food. However, we cannot ensure other food products haven’t been manufactured in a facility who uses peanuts/nuts in other products.

Inappropriate Language: The way we speak to and treat one another directly correlates with respect. Profanity, crude or inappropriate language and rude gestures are unacceptable (verbal or nonverbal). Students should always show the utmost respect for faculty, staff, school volunteers and their fellow students. Violation of this ethic will, at the very least, result in detention. Continued violations will lead to parental conferences, suspensions, or dismissal.

Medication for Students: *Please see the Medical Permit Form in the Appendix for important information and restrictions concerning medications for students while on campus. (DP 5320)*

Parents must write a note to describe out of the ordinary exceptions to the medical policies. Examples include: use of cough drops, change in uniform, special devices such as special shoes, crutches, slings, or other appliances necessary for a student’s health. The student must present the note to the front office to be approved. The student will carry a copy of the parent note (bearing an approval signature by the office) on his/her person throughout the school day. If any of the above is necessary for more than one (1) day, permission must be granted by the Principal. A parental note and a doctor’s prescription for such devices or accommodations must be furnished for approval by the Principal or Counselor.

Messages for Students: If parents need to get a message or bring an article to a student, they should call or come to the campus office and we will deliver the message or item. Students are not permitted to use cell phones to communicate with parents during the school day. Messages should be limited to urgent types only. At the Upper Campus, please advise your student that if he/she has forgotten to bring their lunch or lunch money, or any other item, to make a practice of checking in at the front desk between classes to see if it has been delivered.

Parties or Group Travel Events: Notre Dame Catholic School will not participate nor facilitate in the planning of any non-school sponsored graduation event or trip.

Public Displays of Affection: Public displays of affection at school or at school functions are not appropriate. These expressions would include kissing, groping, prolonged hugs, etc. Demerits or detentions will be issued. Parents may be called and the students could be suspended. Serious or repeat offenders will be put on probation and possibly withdrawn from Notre Dame.

Respect for Authority: Disrespect for teachers, substitute teachers, staff, volunteers, parents, or general disregard for school authority is unacceptable. This includes a general disregard for school rules and guidelines. Violation will, at the very least, result in detention. Continued violations could lead to parental conferences, suspensions, or dismissal.

SCHOOL SAFETY

The school reserves the right to inspect anything brought onto the Notre Dame Catholic School campus at any time. All adult employees have a copy of the NDCS Employee Safety Manual which details actions required for a variety of situations. You are welcome to review this manual with the Principal at any time.

Safe Environment Program (from the Diocese of Fort Worth, Human Resource Manual, and Revised 4-22-04)
The Charter for the Protection of Children and Young People, adopted by the United States Conference of Catholic Bishops, requires:

- All employees to participate in the safe environment session, *Keeping Children, Youth and Vulnerable Adults Safe*. Volunteers who work with children and youth must also participate in training.
- Acceptance and sign off by employees and volunteers on *The Code of Conduct and Behavior Standards for Ministers*.
- Evaluation of the background of all employees. Volunteers who are involved with children will also have a background evaluation completed.

All criminal background evaluations must be completed through the Diocesan Department of Human Resources. Schools will maintain a record of compliance of all three mandatory elements of the safe environment program (participation in a *Keeping Children, Youth and Vulnerable Adults Safe* session, sign off on the Code of Conduct, and background evaluation.) (DP 1160) Sessions of *Keeping Children, Youth and Vulnerable Adults Safe* are offered throughout the year at the school and parishes. Call the school or parish offices for dates and times for these sessions.

NDCS students also participate in the annual student sessions of *Called to Protect for Children* (kindergarten through fifth grades) and *Called to Protect for Youth* (sixth through twelfth grades) of the diocesan Safe Environment Program. Parents will be provided the opportunity to opt-out of these sessions in writing for their students. Absent written documentation, permission to participate in the diocesan program is assumed for all NDCS students.

Handguns and other weapons: All weapons are forbidden on school grounds, *even if a person holds a permit*. This policy applies not only to students but to all others on school grounds. Students in possession of firearms or other weapons will face discipline up to and including expulsion.

Section 30.06, Texas Penal Code, prohibits a holder of a license to carry a concealed handgun who has been given notice that concealed handguns are forbidden on the property from taking a concealed weapon onto the property or from remaining on the property with a concealed handgun and not leaving the property.

"Pursuant to Section 30.06, Penal Code (trespass by holder of license to carry a concealed handgun), a person licensed under Subchapter H, Chapter 411, Government Code (concealed handgun law), may not enter this property with a concealed handgun."

Safety Procedures

Tornados: If a “tornado warning” is in effect for the locality, students should be alert to directions and will be taken to a safe place. Areas in each building have been designated for shelter. Children will not be allowed to leave either campus unless released to a parent. Tornado drills are held periodically in order to acquaint students with procedures and to minimize anxiety in the event of a tornado warning. (DP 6020)

Fire Drills: Fire drills are required by law and are an important safety precaution. They are held monthly, beginning in September. (DP 6020) It is essential that when the first signal is given, everyone obeys promptly and clears the building by the prescribed route (signs are posted in every room) as quickly as possible. For facility of movement, and in case directions need to be changed, students are not permitted to talk during a fire drill. Students should remain outside the building until a signal is given to return inside.

Lockdown Procedures: Lockdown drills will be practiced periodically in order to acquaint students with procedures and minimize anxiety in the event of an emergency.

- SAFETY CHECK – In the event of a threat in the neighborhood such as a burglary or suspicious activity, all students and staff are to remain securely inside the school building with all exterior doors locked.
- LOCKDOWN – In the event of an imminent threat to the building, the campus administrator will implement a lockdown. Teachers will secure the classroom, assemble students in a safe area of the classroom, and instruct students to remain quiet. Any students in the hallway or outside the building will be moved into classrooms and accounted for by school personnel. School personnel and students will remain in locked classrooms until the campus administrator or a local law enforcement officer has announced that the lockdown has ended.

Evacuation Procedures: In the event of a crisis which would require evacuation of the Lower Campus building, students will be moved to the Our Lady Queen of Peace parish offices. Students evacuated from the Upper Campus will be moved to the Our Lady Queen of Peace Chapel. Parents will be notified to pick up their children at the Our Lady Queen of Peace Great Hall, which will serve as the reunification location.

Visiting the School: For the safety of the children, both facilities are “closed campuses”. No one is to enter either building without checking in at the office. Our children’s safety depends on our knowing who is on campus at all times. Parents are welcome to visit the school, but must clear the visit with the office of either the Lower or Upper Campus.

During the hours of instruction, no visitors are allowed into the classrooms or instructional hallways without permission from the administration. *All parents and visitors must check in at the appropriate office where they will receive a Visitor’s Pass.* Parents and visitors must have a valid and specific reason for being on campus during the school day. For reasons of safety, efficiency, and professionalism, those visitors who have concluded with the reasons for their visit are asked to leave campus until the end of the school day.

Parents who volunteer or have appointments in the building may not drop into a classroom to see their student or a teacher during the day. This is an interruption to the class and to the educational process.

All students who leave campus during the school day must be signed out at the office. Parents who wish a conference with a teacher or administrator should call to make an appointment. *Under no circumstances is a parent to interrupt a teacher during class time.*

Unwanted Visitors: Unwanted visitors will be asked to leave the school by the principal or authorized personnel. If the visitor refuses to leave, the principal or authorized person will activate emergency service (911). (DP 6020)

School Telephones: The school maintains telephone service to both campuses for business purposes only. Lines of access are limited. Therefore, only necessary phone calls will be allowed. In cases of illness or injury, school personnel will notify the parent or emergency number(s) on the Emergency Card and may allow the student to speak with a parent. Students who need items brought to school for school activity or travel may request the front desk to call on their behalf. Students will not normally be allowed to call parents for forgotten assignments. *Students will not be allowed to leave class or be tardy to class to request telephone calls unless they are ill.* Athletes or students on field trips who arrive after school hours and need to make phone calls to parents for transportation will be allowed to use telephones with supervision by the coach or moderator.

Student Automobiles and Parking: Driving is a privilege, not a right. A Parking Permit will be required for all student vehicles and may be purchased from the front office for \$5.00. Student violators of the laws that protect safety are subject to disciplinary action.

Students may park in the center and along the west curb of the south parking lot only. Student parking is prohibited in faculty parking areas, on the street, in the front circle drive and in the back circle. Seniors may have one reserved parking place in the center of the south parking lot.

1. The student parking area is off limits during the school day. Students are not permitted to go to their cars without approval from an administrator.
2. Students driving in a reckless or hazardous manner on school property or in the adjacent neighborhood may lose driving privileges. Students who disobey laws and speed limits will lose driving privileges. Students must park in a designated parking space.

Student Travel: Students will be NOT be allowed to drive other students to and from school-related functions between the school hours of 8:00 a.m. to 3:10 p.m. The ONLY exception is sibling(s), in which case, a written note or phone call by the parent or guardian is mandatory in advance. Students who are participating in a field trip must ride the approved transportation to and from the field trip with their class.

Student Lockers: Lockers are the property of the school and are assigned to the student on a loan basis. Although a student may have control of his/her locker against another student, such possession is not exclusive against the school and its officials. The school reserves the right to inspect lockers at any time without probable or reasonable cause. It is the proper function of the school authorities to inspect the lockers under their control and to prevent their use in illicit ways or for illegal purposes. If locks are removed or incapacitated, the student will serve detention and/or any monetary payment for damages and repair. Students may only use the lockers assigned to them.

Lockers must always be kept neat and in a usable condition. Stickers and decals are not permitted on or in the lockers. Students will be charged for the expense of cleaning and repairing lockers when these regulations are violated. Lockers are subject to search by the proper school authorities at any time. Drug dogs may be utilized at any time. In decorating lockers, students are reminded that this is a Catholic school and they should place nothing in or on the surfaces of their lockers which is not appropriate in a Christian environment. Inappropriate items may be removed by the administration at any time.

Locker combinations should not be given to other students, even friends. Entering or attempting to enter a locker not belonging to the student may be interpreted as an attempted theft subject to appropriate disciplinary action. Students and their parents are financially responsible for locker damage.

Student Residency: Each student, as a member of Notre Dame Catholic School, must reside with at least one parent or a legal guardian.

Tobacco Products: Use or possession of any form of tobacco product on campus, in the parking lot or school function is strictly prohibited. The use of e-cigarettes, vaporizers, etc. will be considered as the use of tobacco products. Violation will, at the very least, result in detention. Continued violations could lead to parental conferences, suspension, or dismissal. Parents will be notified after such a violation.

Transfer of Student/Student Records: Transfer of a student from Notre Dame Catholic School to other schools is issued only at the request of the parents or guardians. No transcripts or school records will be released until all school obligations have been fulfilled including payment of tuition. Parents must speak with an administrator or business office personnel and sign appropriate paperwork. The receiving school must request school records by phone, fax or mail. For families being transferred overseas, please call the business office for information requesting school records.

**CODE OF CONDUCT
GENERAL RULES AND DISCIPLINE PROCEDURES**

Attending a Catholic school is a privilege and not a right of the student. The conduct of the student or the parent of the student may cause the student to lose the privilege of attending a Catholic school. (DP 5000) Students in a Catholic school are expected to behave in a Christian manner. As a participant in the school community of Notre Dame and in accordance with the philosophy of the school, it is an obligation for all students to respect the dignity of all of its members. Therefore, all demeaning behavior is prohibited. Students and parents/guardians are expected to cooperate with the spirit and policies of the school which are designed to foster mature development and personal responsibility. The Principal reserves the right to determine the appropriateness of an action if any doubt arises.

The school reserves the right to inspect anything brought onto the Notre Dame Catholic School campus at any time.

The student is a Notre Dame student at all times. A student who engages in conduct, whether inside or outside the school, that disrupts the order of the school or is detrimental to the reputation of the school, may be disciplined by school officials. This includes online postings to social networking sites such as Facebook, Twitter, Snapchat, etc. as well as inappropriate use of texting or emailing.

It is expected that school personnel and parents work together to promote growth in the development of a child's self-discipline. Parents are expected to respect the professional judgment of the staff while working with them as a team to guide the child's development in this area. Students whose parents have violated the principles of *Parents as Partners* as referenced on page 11 of this handbook may also be excluded from Notre Dame Catholic School.

The following rules and procedures have been developed to assist in the responsible behavior of our students which will create an atmosphere conducive to learning and allow us to maintain conditions essential to the orderly operation of the school. This handbook will be posted on the school's website at www.notredamecatholic.org for the purpose of communicating all school policies and procedures, including this Code of Conduct. Parents and students must sign the included acknowledgement forms signifying that they have received the handbook and agree to be bound by the provisions it contains. (DP 5280) This agreement must be on file in order for your child to attend classes at Notre Dame.

The following code, rules and procedures have been developed based on Catholic values and the dignity of the human person:

UPPER CAMPUS:

Misconduct in the classroom will be handled by the classroom teacher by utilizing the following Demerit System.

- Demerits may be given for any number of minor infractions, including but not limited to: improper uniform, chewing gum, disruption in the classroom, tardiness, and/or any violation in classroom procedure.
- If a student exhibits severely unreasonable, disruptive behavior in a physical manner, the student will be removed from the classroom, athletic area, etc. for the safety of the student and/or others. In addition, see the section below, "Violence – Threatened and Acted."
- Suspension (in or out of school) includes suspension from all athletic practices and games and all other extra-curricular activities, practices, and performances, such as cheerleading, dance, choir, band, drama, dances, club meetings, etc. Students who receive an out-of-school suspension will not be allowed on campus during the days of their suspension. Students must complete all class work and tests from the days of suspension.
- When the number of demerits totals four (4), a detention will be issued. The count of demerits begins again after each detention.
- In some instances of obvious deliberate misbehavior, a teacher or administrator may issue a detention immediately, surpassing the demerit count.
- A detention will be scheduled to be served after school. Failure to report for detention will result in an additional detention and a parent conference with the Principal.
- After a student receives his 3rd detention in a semester, a conference with the parent will be scheduled. All subsequent detentions issued that semester shall be served as one-day in school suspensions. This includes detentions earned from receiving four demerits as well as detentions issued outright for specific infractions. As always, more serious infractions may result in loss of extracurricular privileges, out of school suspension, and/or expulsion. At the beginning of a new semester, the demerit count is reset to zero.
- If your child participates in athletics or other before or after school programs, he or she must attend detention before going to practice or a game.

A report of harassment, physical or verbal abuse should be made to the Administration/ Principal. Also, students are encouraged to talk to any adult on the staff on either campus if they would be more comfortable doing so. All employees of Notre Dame Catholic School have received professional information or training to attend to reports of harassment and abuse.

All allegations of sexual harassment will be taken seriously and promptly investigated. Confidentiality and concern for both the alleged victim and the alleged perpetrator is stressed. (DP 5320)

Blogs & Social Networking Sites Engagement in online blogs or social networks may result in disciplinary actions if the content of the student’s post includes defamatory comments regarding the school, the faculty, other students or the Church.

Verbal, physical or written threats made against the physical or emotional well-being of any individual are taken very seriously. Students making such threats (seriously or in jest, in person or online) may face detention, suspension, proof of professional counseling and/or expulsion.

Bullying is generally defined as negative, aggressive behavior repeated over time that involves an imbalance of power. Bullying can take many forms. While conflict is inevitable, bullying is not. The faculty, staff and administration of Notre Dame Catholic School continually work with students, parents and colleagues to create conditions that prevent bullying behaviors.

VIOLENCE – THREATENED AND ACTED: All threats of violence will be taken seriously. The safety of everyone at Notre Dame is the predominant concern. If the Principal believes that the presence of a student in the school poses a safety threat for others in the school, the student will be treated with dignity but will be removed from the school. Dependent upon the circumstances, the administration may (1) evacuate the school, (2) inform the police, and/or (3) inform pastors and the superintendent. The school reserves the right to treat cases of violence, whether threatened or acted, individually and age appropriately. ((DP 5320, DP 5215, DP 5220)

OFF CAMPUS CONDUCT: Students should remember that they are responsible for the good name of Notre Dame Catholic School at all times. Behavior on or off campus that is not exemplary may lead to disciplinary action up to and including dismissal. The administration may ask for the withdrawal of any student whose conduct is detrimental to the school’s good reputation.

PARENT BEHAVIOR (DP 5220): “Actions of the parent of a student may be grounds for the student to lose the privilege of attending a school. The parents of a student are expected to conduct themselves so as not to be a disruptive influence on the school or a teacher. A parent of a student who becomes a disruptive influence may be requested to withdraw the student from the school. The student’s records shall reflect that the student has either withdrawn or transferred. The student records shall not reflect that the student has been expelled, unless the parents refuse to remove the student from the school after having been notified that the child must withdraw or transfer to another school.”

NDCS TECHNOLOGY POLICY

Various technologies are used to support the curriculum and to augment instruction in the classroom. It is a school-wide policy that all computers used at Notre Dame Catholic School are to be used in a responsible, productive, moral, and lawful manner. Failure to comply with the policy and the guidelines of computer use, as described below, will result in a loss of computer privileges.

Computer and the Network

Computer networks allow students to interact with other computers on campus. Students should never download or install any commercial software, shareware, or freeware onto the network drives or disks, nor should students copy other student's work or intrude into other student's files.

Connecting to the Internet

The Internet links thousands of computer networks around the world, allowing Notre Dame Catholic School students to explore thousands of libraries, databases, museums, and other repositories of information. In general, electronic traffic passes freely in a trusting atmosphere with a minimum of constraints. Although Notre Dame Catholic School does have a filtered system, it does not have total control of the information on the Internet and families should be aware that some sites accessible via the Internet may contain material that is inappropriate for educational use. Notre Dame Catholic School does not condone the use of such materials. However, we believe that the benefits to students from access to the Internet in the form of information resources exceed the disadvantages.

COPPA Compliance

Congress enacted the Children's Online Privacy Protection Act (COPPA) in 1998 with amendments in 2012. The primary purpose of COPPA is to place parents in control over the information gathered about their children by websites/apps. The Rule applies to commercial websites/apps that collect, use, or disclose personal information from children, and operators of general audience websites or online services with actual knowledge that they are collecting, using, or disclosing personal information from children under 13. The education version is also ad-free and data is only used to improve GAFE services. You can find the GAFE Terms of Service here: http://www.google.com/apps/intl/en/terms/education_terms.html

The features and options used by students will be based on grade level and requirements for coursework. Student accounts may include Drive, Docs, Sheets, Slides, Drawings, Classroom, Gmail, Sites, Calendar, Blogger, YouTube, Maps, and Earth. Email, if available to your student, can only be sent to or received from others with Notre Dame Catholic School accounts unless otherwise specified by the school. Teachers will provide initial instruction to students prior to using tools in the Google Apps suite as well as ongoing guidance for their use in the classroom. GAFE student accounts created by Notre Dame Catholic School will be managed by the school in consultation with the Region 9 Education Services Center. In school, teacher supervision and Internet filters are used to prevent access to inappropriate content and to ensure that student use of digital tools follows the appropriate guidelines. Student accounts can be accessed by administrators at any time.

Parent/ Guardian Guidelines

Parents assume responsibility for the supervision of Internet use outside of school. Parents are encouraged to discuss rules and expectations for using Internet-based tools, including GAFE. Parents should report any evidence of cyberbullying or other inappropriate use to the school immediately.

DIOCESAN POLICIES CONCERNING TECHNOLOGY ISSUES
6200 ELECTRONIC AND/OR DIGITAL COMMUNICATIONS POLICY

Electronic and/or digital communications with students and staff members should be conducted for educationally appropriate purposes using school sanctioned communications methods. The school sanctioned communications methods are: teacher school web pages such as the school website, Moodle, or School Notes, teacher school email, teacher school phone and educationally focused networking sites such as Churchwerks. The term “Staff member” as used herein shall mean all employees of a school,

Staff members in their normal responsibilities and duties may be required to contact parents outside of the school day. A staff member is free to contact parents using e-mail, a home phone, personal cell phone or other appropriate electronic or digital devices. Staff members are to contact parents, not students, when they need to disseminate information for the student’s benefit. Staff members should not purposely distribute a home phone number or a personal cell phone number to students.

Staff members are not to contact students directly by electronic and/or digital communications. If a staff member contacts a student, other than by a school sanctioned communications methods, using electronic devices, including, but not limited to, personal phone or cell phone, email, texting or networking sites, the student shall immediately notify the student's parents about the contact and the student's parents shall immediately reported the contact to the principal or to other proper school authorities.

Students are not to contact a staff member, other than by school sanctioned communications methods. If a student contacts a staff member, other than by school sanctioned communications methods, using electronic devices, including, but not limited to, personal phone or cell phone, email, texting or networking sites, the staff member shall immediately report the contact to the principal or to other proper school authority who shall immediately notify the parents of the student concerning the communication by the student to the Staff member.

6205 ONLINE SOCIAL MEDIA

Although this policy closely mirrors the Diocesan policy on social media, due to the special, privileged and powerful relationship between a Catholic school and its parents and students, sections of this policy are more restrictive. The first legal duty of a Catholic school is to keep those entrusted to them safe.

The Catholic schools of the Diocese of Fort Worth acknowledge the right of employees to use personal websites, social networks, wikis, weblogs and other emerging technologies not only as a form of self-expression, and, in their individual capacity, as a means to further the work of the Church. Additionally, the same rules that apply to school employee's messaging and communications in traditional media apply in the online social media space. This specifically means that teachers and all school staff, including substitutes and volunteers, are never to use social media to directly communicate, interact or respond directly to students unless that social media is operated, controlled and directed by the school itself. Simply because the development and implementation of an online social media program can be fast, easy, and inexpensive does not mean that different rules apply. School employees should bear in mind that posting of certain comments, photos, links or references to third party websites and information on websites, social networks, wikis and weblogs may have a harmful effect on the Church and its schools, their reputation, and their employees.

In light of this possibility, school employees are required to adhere to the following policy regarding the use of personal and professional websites, social networks, wikis, weblogs and other emerging technologies. This policy supports other related Diocesan and school policies, including Acceptable Technology Use and the *Code of Conduct & Behavior Standards for All Clergy, Religious and Lay Ministers*.

- School employees may only access websites, weblogs, wikis and social networks for legitimate professional job-related purposes during the workday with the approval of their direct supervisor. School employees are not to create, post or otherwise access weblogs, personal social networks, wikis or personal websites for personal use during normal school working hours. Employees should exercise sound judgment and common sense to prevent online social media sites from becoming a distraction at work.
- If you identify yourself as an employee of a Catholic school on a personal website, weblog or social network, you must make it clear to your readers that the views you express are yours alone and that your views do not necessarily reflect the views of the Diocese or its schools. In the event that you identify yourself as an employee of a Catholic school on a personal website, weblog, wiki or social network, to help reduce the potential for confusion, you are required to put the following notice in a reasonable prominent place on your site (e.g., at the bottom of your personal profile page) in at least a size 12 font bolded:

“The views expressed on this website/weblog/social network are mine alone and do not necessarily reflect the views of my employer.”

- School employees are prohibited from disclosing on personal or professional websites, weblogs, wikis or social networks, any information that is confidential or proprietary to the Diocese, its schools or to any third party that has disclosed information to the Diocese or its schools.

- The school has exclusive ownership rights with respect to certain concepts and developments you produce that are related to school business. Employees may not use school trademarks on their site or reproduce any school materials or logos. Please consult with your principal if you have questions about appropriateness of publishing anything that may be related to the school on your site.
- School employees may not use the copyrights, trademarks, rights of publicity, and other third-party rights in the online social media space, including with regard to user-generated content (UGC), without the necessary permissions of the rightsholder(s).
- School employees are prohibited from providing a link or otherwise referring to the school website on their personal website, social networks, wikis or weblogs without consulting with and obtaining the approval of the principal of the specific school.
- School employees shall not allow any obscene, harassing, offensive, derogatory or defamatory comments and images which reflects/discredits or causes embarrassment to the Diocese and its schools, their employees, patrons, vendors, partners, affiliates, agencies, students, and others on personal, the school's and professional websites, any other social networks, wikis or weblogs.
- All social media being used by Catholic entities must be clearly branded in order provide institutional authority as well as avoid confusion. Unless you have been officially authorized in writing to speak or act on behalf of a Catholic entity, employees are prohibited to use such brandings or create secondary social media sites that give the illusion of being authoritative.
- All social media used by Catholic entities must comply with the Minimum Social Media Requirements contained in Policy 6210.

The school reserves the right to regularly monitor any and all schools based computers. In addition, it is the policy of the Catholic schools of the Diocese of Fort Worth that every portable information/data storage device used by a school staff member or student may be examined at any time because it may contain something dangerous.

- The school reserves the right to monitor professional websites, social networks, wikis or weblogs created on school computers during the course of a normal workday, or on school computers on personal time.
- Once information is published online, it is essentially part of a permanent record, even if you "remove/delete" it later or attempt to make it anonymous. If your complete thought, along with its context, cannot be squeezed into a character-restricted space (such as Twitter), provide a link to an online space where the message can be expressed completely and accurately.
- The school requires that you confine your personal website, social network or weblog commentary to topics unrelated to the Diocese or its schools (or in certain cases, that you temporarily suspend your website or weblog activity altogether) if it believes this is necessary or advisable to ensure compliance with this policy or federal and state laws.
- School employees will comply with all aspects of the Children's Online Private Protection Act (COPPA). Employees are forbidden to post or distribute personal identifiable information including pictures on any child under the age of eighteen without parental consent. Personal identifiable information includes name, home address, email address, telephone number or any information that would allow someone to identify or contact a child. If written verifiable consent is obtained from a parent, it is important that the parent has approved the information that is to be provided and has full knowledge of its use, purpose and how the information is going to be provided. Likewise, parents should be made aware that the school is making use of only school controlled websites, social networks, weblogs and other emerging technologies to communicate with students.
- School employees will model safe and effective use of technology for students including developmentally appropriate instructions on responsibility associated with the use of technology and the possible dangers associated with technology.

School employees who violate this Online Social Media policy will be subject to disciplinary action, up to and including termination. If you have questions about this policy or any matter related to your site that this policy does not address, please consult with the principal of your school.

6210 THE MINIMUM SOCIAL MEDIA REQUIREMENTS

The following guidelines are required for schools wishing to establish social media. These requirements apply to all current and future social media, including but not limited to websites, wikis, Facebook, Twitter, blogs and other emerging technologies.

- Site administrators must be adults and/or approved employees of the school
- There must be at least two site administrators for each site to allow for rapid response and continuous monitoring and updating of the site.
- All social media must be reviewed by the principal or the pastor before implementation to ensure it is not in conflict with current standards, policies and Catholic teachings.
- Personal sites shall not be used in connection with school programs or to communicate with students. Students are defined as any and all students enrolled in a Catholic school in the Diocese of Fort Worth.
- Passwords, names of the sites and the site addresses or site location information shall be registered in a central location in the school and at least two (2) adults must have access to this information.
- In establishing a school site, know and abide by these key “Rules of the Road”:
 - Abide by all diocesan, parish and/or school guidelines
 - All communication by school employees reflect on the Church and the school
 - Do not claim or in any way give the impression or the appearance of representing the official position of the school or the teachings of the Church, unless you have written authorized to do so.
 - All school social media sites shall be clearly branded and identified to provide institutional authority and to avoid confusion.
 - Abide by all copyright, fair use and financial disclosure laws.
 - Never divulge confidential information.
 - Do not cite others, post photographs or videos of other individuals or link to their material without express written approval. Media involving minors must have written parental approval.
 - Practice Christian charity.

DIOCESAN POLICY 5221
Appeals Concerning Students Other Than Suspension or Expulsion

Any parent having a complaint concerning a teacher's and/or principal's action in connection with a student, other than an expulsion, must first speak with the principal and/or the teacher. If the grievance is not resolved, the Grievant presents the grievance in writing to the principal of the school within ten (10) days following the event which forms the basis of the grievance. The written grievance must (i) clearly identify that it is a grievance, (ii) describe the event or action which forms the basis of the grievance, (iii) describe all actions which the Grievant has taken to resolve the matter, and (iv) describe the action the Grievant would like the principal to take. Upon receipt of the grievance, the principal shall immediately furnish a copy of the grievance to the Pastor, if it is a parish school, and to the Superintendent of Schools. If the principal feels that there should be a meeting with the Grievant, the principal will attempt to set up said meeting within five (5) days of the receipt of the grievance. Then the principal shall investigate the alleged grievance and mail a written decision to the Grievant within seven (7) days from the receipt of the grievance or within seven (7) days from the date of the meeting with the Grievant. Copies of the written decision shall be furnished to the Pastor, if the school is a parish school, and to the Superintendent of Schools.

If the Grievant wishes to appeal the principal's decision, then within five (5) days from receipt of the written notice, the Grievant shall furnish the Pastor, if there is one, a copy of the grievance, the principal's written response and the Grievant's appeal. If there is no Pastor, the grievance appeal goes to the Superintendent. The Grievant must inform the Pastor or the Superintendent that the Grievant is appealing the principal's decision. The Pastor shall, within five (5) days of the receipt of the appeal, meet with the Grievant. The Pastor shall make his written decision within (5) days from the date of the meeting.

If the Grievant wishes to appeal the Pastor's decision or if it is not a parish school, the Grievant must give notice to the Superintendent of Schools of the Grievant's wish to appeal the Pastor's decision or principal's decision, if not a parish school. The Grievant must furnish the Superintendent with the grievance, the principal's decision and the Pastor's decision. The Superintendent shall make such an investigation as the Superintendent feels appropriate. The Superintendent shall furnish the Grievant within ten (10) days from the date of the Notice of Appeal, a written decision.

In all grievances and appeals concerning students, the decision of the Superintendent of Schools is final and is not subject to any further grievance, appeal, mediation, or conciliation process of the Diocese.

ALL TIME LIMITS REQUIRED FOR AN INDIVIDUAL TO FILE A GRIEVANCE AND AN APPEAL OF THE GRIEVANCE ARE MANDATORY TIME LIMITS. IF A PARTY FILING THE GRIEVANCE FAILS TO MEET ANY OF THE TIME LIMITS, THEN THE GRIEVANCE PROCEDURE IS TERMINATED AND NOT SUBJECT TO ANY FURTHER APPEAL OR ANY FURTHER GRIEVANCE, APPEAL, MEDIATION, OR CONCILIATION/ARBITRATION PROCESS OF THE DIOCESE. EACH GRIEVANT MUST STRICTLY ADHERE TO THE TIME SCHEDULES FOR FILING A GRIEVANCE AND APPEALING FROM ANY DECISION. FAILURE TO FILE A GRIEVANCE WAIVES ALL OTHER GRIEVANCE, APPEAL, MEDIATION OR CONCILIATION/ARBITRATION PROCESS OF THE DIOCESE.
