July 8th, 2020

Dear Notre Dame Catholic School community,

I want to update you all regarding our preparations for returning to campus in the 2020-2021 school year. The health and safety of our students, school families, faculty and staff are our top priorities at Notre Dame. We have kept a close eye on the evolving information surrounding COVID-19. We continue to work with the Catholic Schools Office to develop a plan with the goal of providing a safe return to campus in August. On July 7th, the Texas Education Agency released its guidance for a safe and healthy start to the school year. Since its release, our administrative staff has been familiarizing itself with that guidance so that we can finalize the details of Notre Dame's plan. We expect to share that plan with you all in the upcoming week. Thank you for your patience as we navigate this evolving situation. We are excited to see all of our students, and to continue to provide them with an exemplary academic experience in the upcoming school year.

Daniel E. Escobedo '01
President
Notre Dame Catholic School
